Residential Program at Dartmouth College:

Open to students in grades 7 through 11

August 1 – August 21

The Summer Institute for the Gifted (SIG) invites parents and their children to attend an open house at Dartmouth College for an information session on the SIG Residential Program.

What can you do during a SIG Residential Program?

- ✓ Learn new skills and talents
- ✓ Be challenged by exciting curriculum
- ✓ Have fun with other gifted students like you

About the Summer Institute for the Gifted

SIG has provided gifted and talented students with superior programming on some of the most prestigious campuses in the country since 1984. Within those 26 years, SIG has grown from a single session in New Jersey to ten residential programs and nine day programs. In 2009, we proudly served over 1,500 academically gifted students ranging from Kindergarten to 11th grade.

SIG combines both traditional summer fun and challenging academic courses to provide a perfect atmosphere for learning, growing and accomplishing meaningful goals that will nurture and enhance each child's gifts.

Learn more about SIG by visiting www.giftedstudy.org

Summer Institute for the Gifted®

The Summer Institute for the Gifted is the program of the National Society for the Gifted and Talented (NSGT), a not-for-profit 501(c)(3) foundation.
